Domain Name

One domain name registration is included in the setup charge. You may choose to register more than one domain, for example example.com and example.net. Each additional domain registered requires an additional \$15.00 setup fee.

If your desired domain name is not available, you will be contacted for an alternate domain name.

Desired Domain Name: _____ .com / .net / .org / .info / .biz / .us

- I already own this domain and do not require registration
- I do not currently own this domain and I require Info Link Inc. to register it for me

Setup

A one time setup fee of \$25.00 applies to all new website hosting packages. This fee covers registration or transfer of one domain and setup of your online control panel. Any website design or consulting will be billed separately at an hourly rate. To begin your service, please submit this amount along with your completed application to:
